

A star

I want to be a star
once in my life
I want to sing my song
send you my love.
Wherever I go
and whatever I do
I will send all my love to you.

I really was afraid
of loneliness
which often comes along
with success
but wherever I went
and whatever I tried to do
my love had to be sent to you.

Inside I was ashamed
of my vocal tone
and I am not so good
in singing alone
but wherever I go
and whatever I do
my joy is to sing for you.

If you can hear me now
it's an honor to me
and even more than that
if you sing with me
wherever you go
and whatever you do
this song sends all my joy to you.

I want to sing this song
make you sing along
I wish you happiness
an angels' kiss.
Wherever you go
and whatever you do
music will always be with you.
